A ONE-OF-A-KIND YACHT.

86-FT AMNESIA IV

Ownermatch International presents an Exclusive Co-Ownership Opportunity

2004 CAPE SCOTT LONG RANGE PILOT HOUSE MOTOR YACHT

M.V. AMNESIA IV

Located at the Ownermatch International Docks Coal Harbor, Vancouver, BC

No expense has been spared in designing and building one of the finest motor-yachts ever created in British Columbia. Built to ABS Class 1 Certification for unrestricted ocean use and extended offshore cruising, this trawler-style vessel is exceptionally seaworthy for long-range cruising anywhere in the world. The vessel features a round bilge, full displacement hull and unique bulbous bow design to dampen pitching and increase fuel efficiency. Technical and mechanical systems have been designed to provide the highest possible level of safety and comfort for world cruising. Finished in a finely crafted Honduran mahogany interior and with exceptional detailed craftsmanship, the Amnesia IV provides an unsurpassed level of luxury and comfort for her owners and guests.

**NOW AVAILABLE FOR PRIVATE VIEWING – CALL WAYNE WILKINS OF
OWNERMATCH INTERNATIONAL FOR MORE INFORMATION 604-307-1947**

Full Ownership: \$4,750,000 US Co-Ownership: Price on Request

*T*his unique co-ownership opportunity allows two or more proud owners to exclusively use and enjoy this world cruiser with friends, family and business associates for several months each year. That allows each owner more than enough time to enjoy northern waters in summer and the option of relocating the vessel to southern waters in winter for full year round enjoyment.

Ownermatch International makes it possible for a vessel of this caliber to be co-owned with perfect partners who understand that, with time to enjoy the vessel being limited, it is much more economical to co-own the vessel. All costs of ownership are shared equally. Each owner can experience all of the prestige of full ownership and exclusive usage of the yacht for the time they require – but at a fraction of the cost. Everyone wins.

Exclusive Co-Ownership Includes

☞ Co-ordination of all aspects of ownership by Ownermatch International

- Schedule of use by owners
- Concierge service for arriving and departing owners
- Preparation of yacht before each sailing
- Cleaning services on owner departure
- Skipper training and certification for owners
- Annual haul outs and maintenance
- Routine maintenance between sailings
- 24 hour reservation line for owners
- Professional skippers and crew
- Relocation to southern winter season cruising
- Administer expenses & monthly accounting
- Arrange moorage, insurance and security services

A growing “smart money” trend has appeared in recent years – the “shared ownership” and use of expensive assets that are utilized only a portion of the time. It has been led by the private aircraft industry and moved rapidly into ownership of resort properties and luxury yachts. Located in beautiful Vancouver, British Columbia, Ownermatch International is a leader in exclusive co-ownership. Call Wayne Wilkins at 604-307-1947 today to discuss the benefits of exclusive co-ownership of resort homes, luxury yachts and private aircraft.

Exclusive Co-Ownership of Yachts

"There is no joy greater than the joy provided by ownership of a private yacht."

J.P.Morgan

Recent statistics confirm that the worldwide sales and manufacture of yachts over 80' are at record-breaking levels with no decline in sight. As more and more people search for those experiences that represent the ultimate expression of financial success, they are discovering the incredible lifestyle and freedom that comes with the ownership of a luxury yacht. However, they are also discovering that *shared* ownership (like the exclusive co-ownership facilitated by Ownermatch International) can make yacht ownership even more enjoyable and more affordable than ever before.

Historically, private yachts were owned by affluent individuals who would carry all costs of ownership on a year round basis – even though they would only use the vessel for a small portion of the time. These costs would include the capital costs associated with the purchase of the yacht, as well as all staffing, operating costs, maintenance, insurance, moorage, etc. In addition to the financial costs, many hours were invested in matters associated with keeping the vessel in top form and ready for use.

In recent years, a growing "smart money" trend has appeared – namely, the shared ownership and use of expensive assets that are utilized only a portion of the time. The trend was spearheaded by the private aircraft industry, and has moved rapidly into ownership of resort properties and luxury yachts.

Some Benefits of Exclusive Co-Ownership

- Reduce Purchase Price – Reduce your initial capital outlay to only a fraction of the purchase price depending on the amount of actual usage required
- Professional Management – Assures that your vessel receives prompt attention to all matters related to protecting the value of your asset
- Safety – Insure that all required maintenance is carried out efficiently and cost-effectively to insure safety of operation for you and your guests
- Insurance and Moorage – All fixed costs are shared equally by co-owners
- Generate Revenue – Receive optional charter revenue during periods you are not utilizing your vessel
- Relocation Program – Extend your boating season by cost-effectively relocating your vessel to southern waters, making year round enjoyment possible
- Safe, affordable, hassle-free enjoyment of your yacht at the lowest possible cost.

Accommodations

Exquisite, rich Honduran mahogany throughout, along with meticulously crafted cabinetry and joinery details supply a finish that is both unprecedented and luxurious.

The main level features a spacious salon, that opens onto the pilothouse, a dining area and a fully-equipped galley with breakfast bar. The electric fireplace in the salon along with the oversized stately furniture and a state-of-the-art entertainment system creates a cozy, welcoming atmosphere. Built-in shelves and cabinets are plentiful for handy display and storage. A built-in desk provides the perfect place to catch up on paperwork.

Finely crafted spiral staircases lead up to the command bridge from the pilothouse and down to the state-rooms. The exceptionally large master stateroom is beautifully finished with a lounge area, full double ensuite with jacuzzi tub and separate shower, and a spacious walk-in closet with shirt shelves and shoe racks.

Next to the master stateroom is a roomy office or craftsroom with ample storage and shelving. This room is easily converted to a fourth state-room. Additional staterooms feature private ensuites and full entertainment centres. The forward stateroom also features a child's bunk, in addition to bunks for two adults. The laundry room is spacious with counter and cabinet space. Crew quarters are located aft with their own entrance, private living area, galley and direct access to the engine room.

- 3 Staterooms + Office + Crew Quarters
- 2 Double Beds
- 3 Single Berths
- 4 Showers, 1 Jacuzzi Bath
- 5 Royal Flush Toilets, including a Day Head off of Pilothouse

Galley

The galley's open design with stainless steel appliances and granite countertops provide the perfect environment for creating memorable meals. The large eating area across from the galley provides ample seating for family and guests.
